L.Cr.R. 7-1 Indictment or Information - Copies. The United States Attorney shall deliver to the Clerk sufficient copies of the indictment or information so that a copy may be delivered to each defendant and the judge or magistrate judge assigned to the case.

L.Cr.R. 7-2 Superseding Indictment or Information. A superseding indictment or information shall be filed promptly with the Clerk in paper format and assigned the same number as the original indictment or information, followed by the letter (A) for the first superseding indictment or information, (B) for the second, etc.

LOCAL RULES – CENTRAL DISTRICT OF CALIFORNIA

L.Cr.R. 7-3 Notice of Complex Case. If a criminal case includes eight or more defendants in the indictment or if the presentation of evidence (including cross-examination) in the government’s case-in-chief will exceed twelve trial days, the case is considered “complex.” In such cases, the government must file with the Court, at the time the indictment is filed, a Notice of Complex Case that indicates the grounds for considering the case complex. Likewise, upon the filing of a superseding indictment in a case not previously identified as complex, the government must file a Notice of Complex Case if the case now qualifies as such.

L.Cr.R. 7-4 Notice of Related Criminal Cases. It shall be the responsibility of the parties to promptly file a Notice of Related Cases whenever a criminal case previously filed and one or more informations or indictments later filed:

- (a) arise out of the same conspiracy, common scheme, transaction, series of transactions or events; or
- (b) involve one or more defendants in common, and would entail substantial duplication of labor in pretrial, trial or sentencing proceedings if heard by different judges.

The Notice must be filed and served in each later-filed case, must identify the previously filed case(s), and must set forth the reasons why counsel believes the cases are related. Whenever practicable, the United States Attorney shall file the Notice with the indictment or information and serve it on defense counsel promptly after defense counsel’s identity has been ascertained.

L.Cr.R. 7-5 Notice of Related Supervised-Release Case. It shall be the responsibility of the government to promptly file a Notice of Related Supervised-Release Case whenever a criminal case charges a violation of 8 U.S.C. § 1326 against a defendant who is serving a term of supervised release in this district for a previous violation of 8 U.S.C. §§ 1325 or 1326. Whenever practicable, the United States Attorney shall file the Notice with the charging document and serve it on defense counsel promptly after defense counsel’s identity has been ascertained.

The declaration shall contain only such facts as would be admissible in evidence and shall show affirmatively that the declarant is competent to testify to the matters stated therein.

L.Cr.R. 12-1.2 Response of Government. Unless otherwise ordered by the Court, the government shall file a response and any declarations in opposition to the motion not later than seven (7) days after service of the motion.

Except as provided in L.Cr.R. 49-1.2, all documents filed in criminal cases must be filed electronically using the Court's CM/ECF System. Sending a document by e-mail does not constitute an electronic filing. To file documents using the CM/ECF System, an attorney must register to do so through the Court's website. Upon registering, the attorney will receive a CM/ECF login and password that will allow him or her to file documents through the CM/ECF System.

L.Cr.R. 49-1.1.1 Authorization of Electronic Filing. The Clerk will accept documents filed, signed, or verified by electronic means in compliance with these Local Rules. Any such document constitutes a written document for the purposes of applying these Local Rules and the Federal Rules of Criminal Procedure.

L.Cr.R. 49-1.1.2 Applicability of Other Rules. Except as otherwise ordered in accordance with applicable statutes and rules, all Federal Rules of Criminal Procedure and Local Criminal Rules shall continue to apply to criminal cases that are subject to electronic filing.

 - (2) *Other Exceptional Cases Involving Unregistered Filers.* For good cause shown, the Court may grant an exemption from the obligation to file electronically to a filer who is not registered with the Court's CM/ECF. Any such exemption shall not exceed one calendar year, but may be renewed upon good cause shown. If any filer granted such an exemption thereafter registers for the Court's CM/ECF System, that registration shall abrogate any exemption granted under this rule. Documents received by the Clerk under this rule will be scanned by the Clerk into the CM/ECF System. Once scanned, the original paper documents will be destroyed.
- (b) *Documents Excluded from Electronic Filing.* The following documents are excluded from the electronic filing requirement of Local Criminal Rule 49-1.1:

- (5) *Other Exceptions.* For good cause shown, the Court may permit a particular document or exhibit to be filed or lodged in paper format, rather than electronically. If permission to file or lodge a document or exhibit in paper format is obtained, the document or exhibit shall be filed or lodged in compliance with L.R. 11-4. Unless the filer is exempted from electronic filing pursuant to Local Criminal Rule 49-1.2(a), the filer shall first file electronically a Notice of Manual Filing or Lodging describing the document or exhibit being filed or lodged in paper format, and present a copy of the Notice of Manual Filing or Lodging, together with its NEF (see L.R. 5-3.2.1), with the document to be filed or lodged.

L.Cr.R. 57-3.4 Settlement Judge. The role of the settlement judge shall be limited to facilitating a voluntary settlement between parties in criminal cases. The settlement judge shall not preside over any aspect of the case other than facilitation of a voluntary settlement according to this Rule. All matters related to the case other than settlement shall be handled by the trial judge.
