UNITED STATES DISTRICT COURT
CENTRAL DISTRICT OF CALIFORNIA

IN THE MATTER OF

APPOINTMENT OF COUNSEL AND
ACCESS TO SEALED DOCUMENTS
IN CRIMINAL CASES POTENTIALLY
AFFECTED BY AMENDMENT 821 OF
THE UNITED STATES SENTENCING
GUIDELINES

GENERAL ORDER NO. 23-17

On August 24, 2023, the United States Sentencing Commission voted to give retroactive effect to Parts A and B of Subpart 1 to Amendment 821 to the United States Sentencing Guidelines. Those provisions: (1) provide a 2-level offense level decrease for certain criminal defendants with zero criminal history points; and (2) modify the former two-point criminal history point enhancement under guideline 4A1.1(d) to either eliminate it entirely (for defendants who otherwise have six or fewer criminal history points) or reduce it from two points to one point (for defendants who otherwise have seven or more criminal history points). These amendments may provide certain defendants previously sentenced in this Court with grounds to seek post-conviction relief. While the effective date of Amendment 821 is November 1, 2023, the amendment specifically provides that any order granting sentence reductions based on Part A or Part B of Subpart 1 of Amendment 821 shall not take effect until February 1, 2024, or later.

Pursuant to 18 U.S.C. § 3006A(a)(1) and (c), and because of the need to efficiently process petitions for relief under Amendment 821, IT IS HEREBY ORDERED that the Federal Public Defender for the Central District of California is appointed to represent any defendant who was previously determined to have been entitled to appointment of counsel, or who is now entitled to the appointment of counsel, to determine whether that defendant may qualify for post-conviction relief under Amendment 821 and United States Sentencing Guideline 1B1.10, and to present any petitions, motions, or applications relating thereto to the Court for disposition.

If the Federal Public Defender's Office (FPDO) or previously appointed counsel believes there is a conflict that would prevent the FPDO from assuming appointment for an individual defendant, counsel shall bring such conflict to the attention of the Court for adjudication of the issue. If the FPDO has a conflict and is, therefore, unable to represent an individual defendant, the Court may re-appoint prior CJA counsel assuming prior CJA counsel is an active member of the CJA Trial Attorney Panel in good standing, or new CJA counsel if prior CJA counsel is not available.

To evaluate a defendant's eligibility, counsel may need access to sealed case records, which requires a written order of the Court. *See* L.R. 79-7.1. Rather than entertain applications for such orders in each individual case, *see* L.R. 79-7.2, the Court has determined that it would be more efficient to address the disclosure of all such records through this General Order.

Accordingly, IT IS HEREBY ORDERED that the Clerk is authorized to provide the United States Attorney's Office (USAO) with copies of sealed case records when:

- (1) the USAO submits a written request for copies of sealed records, identifying the case number(s) and defendant(s) to which the request relates; and
- (2) the request is made expressly pursuant to this General Order, with a certification that it is being made for purposes of contemplated litigation regarding a defendant's eligibility for post-conviction relief pursuant to

Amendment 821 and United States Sentencing Guideline 1B1.10.

To the extent possible, the request should be limited to documents that are relevant to determining whether a defendant may qualify for post-conviction relief, and should identify those documents by their docket numbers or by a date range within which all sealed filings are requested. Because it may not always be possible to identify the relevant sealed documents from the docket, however, the USAO may request all sealed documents filed in such a case. Notwithstanding the foregoing, the Clerk is not authorized to provide to the USAO copies of any documents filed "in camera" by a defendant, or of any transcripts or minutes of proceedings held outside the presence of counsel for the government.

Requests submitted pursuant to this General Order may be submitted UNDER SEAL and may seek records from multiple cases in one request. Requests should be submitted electronically by emailing <a href="Records\_CACD@cacd.uscourts.gov">Records\_CACD@cacd.uscourts.gov</a>. The subject line of the email requesting documents should read: "UNDER SEAL REQUEST RE RETROACTIVE APPLICATION OF AMENDMENT 821 OF THE USSG." The Clerk's Office shall not file or docket a request in any case, but shall maintain all such requests UNDER SEAL. The USAO need only provide one copy of a request to the Clerk's Office, regardless of the number of cases addressed in the request. It is not necessary to electronically file a Notice of Manual Filing for any such request.

The United States Probation and Pretrial Services Office for the Central District of California is authorized to disclose Presentence Investigation Reports, Statement of Reasons, and Judgments to the USAO and FPDO for the purpose of determining eligibility for post-conviction relief under Amendment 821 and United States Sentencing Guideline 1B1.10. The USAO and FPDO are each authorized to provide copies of any records obtained pursuant to this General Order to the other for purposes of evaluating and litigating any defendant's eligibility for post-conviction relief under Amendment 821 and United States Sentencing Guideline 1B1.10. The USAO and FPDO are also authorized to provide copies of records relating to a specific defendant

obtained pursuant to this General Order to that defendant's counsel of record; defense counsel, in turn, is authorized to provide those records to the defendant and to any successor counsel. Counsel shall not otherwise disseminate any such sealed records. If the records are to be re-presented to this Court, the Ninth Circuit, or the Supreme Court, they must be presented under seal.

IT IS SO ORDERED.
