CASE NO. 2:20-cv-02291 DOC (KES)
DEFENDANT COUNTY OF LOS
ANGELES' STATUS REPORT
PURSUANT TO SETTLEMENT
AGREEMENT FOR QUARTER
ENDING DECEMBER 31, 2025

Assigned to the Hon. David O. Carter
and Magistrate Judge Karen E. Scott

MILLER BARONDESS, LLP
ATTORNEYS AT LAW
2121 AVENUE OF THE STARS, SUITE 2600 LOS ANGELES, CALIFORNIA 90067
TEL: (310) 552-4400 FAX: (310) 552-8400

1 The County of Los Angeles (“County”) hereby submits this status report
2 containing the information to be reported pursuant to Section D.9 of the Settlement
3 Agreement, including the First and Second Addenda (together, “Agreement”),
4 between Plaintiffs and the County for the quarter ending December 31, 2025, in a
5 streamlined narrative at the request of County Monitor Thomas M. Goethals.

6 **I. REPORTING ITEMS**

7 **A. Support For Plaintiffs’ Settlement With The City**

8 The County continues to support the settlement between Plaintiffs and the
9 City by funding a suite of “mainstream” services at the interim housing units and
10 intensive case management services, including mainstream services, at the
11 permanent supportive housing units (“PSH”) created by the City pursuant to the
12 Plaintiffs/City settlement (Dkt. 1051). Attached as **Exhibit A1** is a summary of the
13 County mainstream services accessed during the reporting period (July 1, 2025–
14 September 30, 2025) by residents of the City’s interim housing sites.¹ Attached as
15 **Exhibit A2** is a summary of ICMS and mainstream services accessed by residents in
16 the City’s PSH during the reporting period (July 1, 2025–September 30, 2025).²
17 The County’s “mainstream” services were last detailed in its quarterly report filed
18 October 30, 2025 (Dkt. 1059) and include public assistance programs, moderate-to-
19 serve specialty mental health services, substance use disorder services, and benefits
20 advocacy.

21
22
23 ¹ The data is reported in summary form in light of applicable regulations governing
24 the disclosure of personal health information and information regarding substance
25 use treatment services, including the Health Insurance Portability and
26 Accountability Act of 1996 (“HIPAA”), 42 C.F.R. Part 2, and California statutes.

27 ² As previously discussed, the clients that these services are attached to come from a
28 combination of the County’s ICMS client list, and a Time-Limited Subsidy client
list that is produced by LAHSA on the City’s behalf.

1 The City reported adding one interim housing site for the reporting period
2 from July 1, 2025 to September 30, 2025, increasing the total to 49 sites. In
3 coordination with these additional sites, the County is actively organizing service
4 connection events at the new sites and across all Service Planning Areas for the
5 City's Inside Safe portfolio (41 sites). During the reporting period, CEO-HI
6 conducted three Service Connection Events: a domestic-violence emergency shelter
7 (address confidential) on September 18, 2025; 2377 Midvale Avenue, Los Angeles,
8 California 90064 on October 7, 2025; and 10864 Rochester Avenue, Los Angeles,
9 California 90024 on October 15, 2025. Looking ahead, regional Service Connection
10 Events will be scheduled for Inside Safe sites in SPA 8 (serving Hotel Dreamscape,
11 Palm Motel, Horizon Inn, Paradise Inn) and SPA 2 (serving Willow Tree Inn, Palm
12 Tree Inn, Motel 6 Van Nuys, Good Knight Inn Motel).

13 Following productive discussions facilitated by Special Master Michele
14 Martinez, who monitors the City's settlement agreement, the County received an up-
15 to-date list of City-funded outreach workers ("Official List") from LAHSA and the
16 City Attorney's Office for purposes of preparing this quarterly report. **Exhibit E**
17 contains data on the disposition of referrals that were properly documented in the
18 referral pathways in the Homeless Management Information System ("HMIS") from
19 City-funded outreach workers to County Departments in the reporting period.

20 Based on the County's ongoing analysis, the low number of documented
21 referrals in **Exhibit E** appears to stem from City-funded outreach workers' limited
22 use of the HMIS referral documentation pathways, rather than training gaps.

23 To identify referrals from City-funded outreach workers, the County cross-
24 referenced the City's Official List of outreach staff and, after de-duplication,
25 identified a total of 143 City-funded outreach workers. The County also populated a
26 report of 227 total referrals documented during the reporting period using the
27 County's updated HMIS pathways. The majority of those referrals (163) were
28 documented in HMIS by the County's Department of Homeless Services and

1 Housing-funded outreach workers. Of the 143 City-funded outreach workers, only
2 five documented referrals using the referral pathways in HMIS, for a total of nine
3 referrals.

4 **B. High-Service Need Beds Available To County Outreach Teams**

5 **Exhibit B** contains the number of referrals from County outreach teams to
6 “Homeless Initiative-funded high-service need interim housing beds,” as well as the
7 status of those referrals. As of December 31, 2025, DHS has received 1,747
8 referrals from the County’s MDTs and HOME teams operating in the City, and
9 accepted and/or placed 950 clients to these high-service needs interim housing beds.
10 During the reporting period specifically, DHS received 121 referrals from County
11 outreach teams and accepted 57 clients. Those referrals that were not accepted were
12 due to a variety of reasons including an incomplete application, referrals to other
13 programs, and referrals rescinded.

14 **C. Mental Health (“MH”)/Substance Use Disorder (“SUD”) Beds**

15 Last quarter, the County added 239 MH/SUD beds, bringing the total
16 portfolio of new resources to 2,729 MH and SUD beds (1,205 MH beds and 1,524
17 SUD beds), and ending the calendar year ahead of the December 2025 milestone of
18 1,800 new beds and on track to meet the December 2026 milestone of 3,000. This
19 includes 40 SUD beds that were open and operational but had not been included in
20 prior reports.³ The accompanying **Exhibit C** has been reformatted at the request of
21

22 _____
23 ³ As a best practice to ensure accuracy and consistency throughout the dynamic bed
24 management process, DPH-SAPC now performs bi-annual (previously, periodic)
25 quality assurance reviews of treatment bed inventory, during which the Department
26 reconciles records across contracts and reporting periods and considers factors such
27 as lease expirations, contract consolidation, and housing relocations. Because the
28 treatment bed inventory is dynamic and changes over time, this process validates
records across contracts and reporting periods and may result in adjustments to
reported bed counts, including the incorporation of beds that were previously
authorized but not reflected in earlier summaries

1 County Monitor Goethals and now includes a new column highlighting net change
2 during this reporting period and improves readability with a larger font.

3 The exhibit also notes the loss of 16 Recovery Bridge Housing (RBH) beds
4 formerly operated by LACADA due to the transition of beds from RBH to Drug
5 Medi-Cal (DMC) beds. **Exhibit C** reflects cumulative reporting per the Settlement
6 Agreement, meaning all of the beds listed have been developed/contracted since
7 June 14, 2022 and continue to be open and operational unless otherwise noted in a
8 subsequent report.

9 **D. Enriched Residential Care For Adult Residential Facilities**
10 **(“ARF”) And Residential Care Facilities For The Elderly**
11 **(“RCFEs”) Beds**

12 **Exhibit D** contains information regarding referrals and placements for
13 enriched-rate subsidies created pursuant to the Agreement through the Enriched
14 Residential Care (ERC) Program for placements in ARFs and RCFEs. To date, the
15 County has activated 428 new “LA Alliance” subsidies, including 52 during the
16 reporting period. 423 of those 428 subsidies were filled as of the end of the
17 reporting period. The County therefore exceeded the milestone of 320 new
18 subsidies by December 31, 2025 and is on track to meet the December 2026
19 milestone of 450 subsidies.

20 **E. Multi-Disciplinary Teams (“MDTs”) And Homeless Outreach**
21 **Mobile Engagement (“HOME”) Teams**

22 The County has met and maintains its obligation to operate 34 MDTs and 10
23 HOME teams serving the City. No changes occurred during the reporting period.

24 **F. Partnership On City- And County-Owned Land**

25 No changes occurred during the reporting period.
26
27
28

1 **G. The County’s Advocacy Efforts For PEH With Serious Mental**
2 **Illness or Substance Use Disorder**

3 During the reporting period, the Department of Mental Health (DMH)
4 continued state and federal advocacy to expand resources, programs, and policies
5 that increase the County’s capacity to treat and house residents with serious mental
6 illness who are experiencing or at risk of homelessness.

7 At the federal level, DMH coordinated with County partners, the City, and
8 LAHSA to oppose changes in HUD’s November 13, 2025 Continuum of Care
9 (CoC) Program Competition Notice of Funding Opportunity (NOFO) that would
10 have capped permanent housing at 30 percent of funds and threatened more than
11 6,400 units in Los Angeles. On December 13, 2025, the court in *National Alliance*
12 *to End Homelessness v. U.S. Department of Housing and Urban Development*
13 verbally ordered HUD to reinstate the FY 2024-2025 CoC NOFO. DMH also
14 reviewed a forthcoming federal bill to address the IMD exclusion by allowing
15 Medicaid reimbursement for short-term (under 30 days) IMD stays. If introduced as
16 drafted, the County intends to support the bill, which would increase available
17 placements and help serve more people with severe mental illness.

18 At the state level, DMH began strategic work with Managed Care Plans, the
19 County Behavioral Health Directors Association (CBHDA), and County
20 departments on CalAIM’s new Transitional Rent (TR) benefit. DMH is seeking
21 flexibility to “braid” TR with Behavioral Health Services Act (BHSA) housing
22 resources so clients do not fall through gaps when transitioning between benefits;
23 currently, BHSA funds are only available after TR is exhausted.

24 The Department of Public Health-Substance Abuse Prevention and Control
25 (DPH-SAPC) tracked 36 housing-related bills for people with or at risk of
26 homelessness who have SUDs, and was actively engaged in the legislative process
27 for two priority bills sponsored/supported by DPH-SAPC:
28

- 1 • The SUD Care Modernization Act (AB 1037 (Elhawary)) stands to
2 update requirements in the existing statute related to SUD care to
3 reflect current evidence-based best practices and ensure access to
4 appropriate treatment and services. The bill would, among other
5 objectives, seek to reduce barriers for residential SUD facilities and
6 encourage them to directly provide SUD treatment services such as
7 medications for addiction treatment (MAT). Specifically, the bill
8 streamlines licensing and certification requirements and removes the
9 prohibition for SUD programs on discussion of evidence-based, harm
10 reduction interventions. The bill also removes the existing prohibition
11 for individuals to be abstinent or to not have consumed a substance
12 within 24 hours prior to admission to a residential SUD facility and
13 removes analogous requirements in order for an individual to continue
14 treatment at a residential SUD facility. Together, these changes will
15 increase the number of facilities and available services from residential
16 SUD providers and increase access to such facilities by lowering
17 barriers to care. The majority of the provisions in AB 1037 went into
18 effect on January 1, 2026, while the combined licensing and
19 certification for residential facilities will go into effect January 1, 2027.
- 20 • The Supportive-Recovery Residence Program (AB 255 (Haney)),
21 would have allowed state departments or agencies to fund supportive-
22 recovery residences (SRRs) that have been certified by a National
23 Alliance for Recovery Residences (NARR) affiliated organization,
24 comply with Housing First components as determined by the California
25 Department of Health Care Services (DHCS), and meet other
26 specifications. The bill would have required 75 percent of program
27 funds to be allocated for harm reduction approach housing. This bill
28 would have made eligible for funding a type of permanent supportive

1 housing (PSH) for individuals seeking a substance-free environment,
2 which can be a helpful choice of housing for some individuals with
3 SUD in their recovery journey. This would have ensured that the CoC
4 will be able to appropriately serve these individuals as a part of the
5 spectrum of level of care options for housing and services. AB 255
6 passed out of the Legislature with bipartisan votes in both the
7 Assembly and Senate, but was ultimately vetoed by the Governor.
8 DPH-SAPC continues to track the issue closely.

9 DPH-SAPC also provided input on draft Behavioral Health Information
10 Notices, urging required Medication for Addiction Treatment (MAT)/SUD
11 capability for Psychiatric Health Facilities and Mental Health Rehabilitation Centers
12 who opt in to admit individuals diagnosed solely with severe SUDs, supported
13 reallocation of unencumbered opioid settlement funds to counties prepared to deploy
14 them, and continued workforce advocacy through CBHDA workgroups.

15 DPH-SAPC engaged on federal issues with DHCS, including BH-CONNECT
16 (1115) implementation—approved December 16, 2024 and effective January 1,
17 2025 - December 31, 2029—which centers around housing interventions and
18 expands evidence-based behavioral health services. The department is also tracking
19 H.R. 1 implementation and conducting community messaging on Medi-Cal
20 eligibility changes that may chill service use despite exemptions for SUD providers.
21 DPH-SAPC also analyzed and advocated on federal issues related to housing for
22 persons experiencing or at risk of homelessness with SUDs and has worked closely
23 as a supportive stakeholder with DHCS through this process, including with respect
24 to the following legislative action items: H.R. 2483 (SUPPORT Act) signed
25 December 1, 2025, strengthening SUD programs through 2030; H.R. 5462
26 (Michelle Alyssa Go Act) introduced to exclude $\leq$ 36-bed facilities from the IMD
27 definition; and H.R. 4022 (Increasing Behavioral Health Treatment Act) to repeal
28

1 the IMD payment exclusion under Medicaid while requiring access and reporting
2 safeguards.

3 Finally, through Value-Based Incentive efforts, DPH-SAPC is strengthening
4 the SUD provider network-supporting staff development, clinical quality, service
5 design, and payment reforms under DMC-ODS and CalAIM-to ensure durable
6 access to high-quality Medi-Cal SUD services.

7 **II. DATA VERIFICATION**

8 The County continues to work with County Monitor Goethals to validate the
9 information provided in the County's quarterly reports. In addition to the previously
10 reported meetings, the County arranged a ride-a-long in January 2026 with an MDT
11 and HOME team as well as a visit to the new headquarters of the County
12 Department of Homeless Services and Housing and a DMH interim housing site
13 created pursuant to the Settlement Agreement. The County has also offered to
14 provide the County Monitor with additional background documentation, interviews,
15 future site visits, and raw data upon request.

16 The County also continues to upload invoices related to the LA Alliance
17 Settlement approximately every month to <https://lacounty.gov/alliance/>.

Total Referrals for Zip Codes	9

* DPSS: Outreach workers document referrals for screening and assistance with benefits applications to CalWORKs, General Relief, CalFresh, and Medi-Cal submitted to the designated DPSS email address, PEHOutreachReferral@dpss.lacounty.gov. DPSS reports on whether it provided benefits information, intake applications, and application dispositions.

** DHS-CBEST: Outreach workers document referrals for screening and assistance with SSI, SSDI, and CAPI applications submitted by e-mail (cbestreferral@dhs.la.county.gov), phone (323-274-3777), or fax (213-482-3395). DHS-CBEST conducts intake appointment and reports on eligibility determinations.

*** DMH: Outreach worker document referrals for PEH experiencing a behavioral health crisis, or otherwise in need of specialty mental health treatment. Crisis referrals are submitted via telephone (800-854-7771), and referrals are added to dispatch board for response by a DMH Field Intervention Team. Other referrals are made through DMH's online portal, where referral is evaluated and assigned to appropriate program (i.e., HOME team, outpatient, or Full-Service Partnership). Upon receipt, provider will contact referring party or client to coordinate services. DMH reports on referral disposition as documented in Department's referral tracking system and/or the client's electronic health record system.

**** DPH-SAPC: Outreach workers document referrals to SASH by calling a 24/7 helpline 800-854-7771, and/or through or through contracted provider staff known as the CENS. SASH and CENS agents are able to provide screening, resources, and further linkage/referrals to SUD-treatment providers. DPH-SAPC reports on referral disposition as documented in clients' electronic health records.

***** No response was received to departmental inquiries about these referrals. This includes referrals previously reported as "in process."
