

WATER SHARING IN THE WEST

Western water law, based on prior appropriation, is not associated with a sharing mentality. Instead, it's first in time, first in right, and the devil take the hindmost.

Join us as our esteemed panel of experts explores the multi-jurisdictional nature of water appropriation from historical pueblo water rights, to the Supreme Court's recent *Arizona v. Navajo Nation* decision, to some cutting edge ideas on fair water allocation coming out of Orange County.
