Hello Michele,

I appreciate you taking the time to speak with me briefly during the LAHSA v Donald Trump (docket number 2:26-cv-07056) hearing a couple of weeks ago.

As I mentioned, I am reaching out for your assistance in coordinating a meeting with Better Angels CEO, Adam Miller, and Judge Carter at the Judge's earliest opportunity.

Better Angels has developed a **Better Angels Homelessness Outreach App and Shelter Directory and Management System that is Integrated with HMIS**. You can learn more about how **Better Angels technology creates a more transparent, efficient, and accountable homelessness response system** via this [one pager](#).

Please share with Judge Carter as well for his review.

Have a great rest of your week,
Elizabeth

Kind Regards,

Elizabeth Birks

Dear Judge Carter,

I am reaching out on behalf of [Adam Miller](#), Founder and CEO of [Better Angels](#), to request a time to meet at your earliest opportunity.

With the U.S. Department of Housing and Urban Development (HUD's) recent freeze of federal funding to The Los Angeles Homeless Services Authority (LAHSA), we truly appreciate your swift response in protecting the public interest.

After reviewing HUD's 'Notice of Immediate Suspension Pending Investigation' letter to LAHSA, we believe that our technology will address HUD's concerns as well as significantly streamline and revolutionize homelessness outreach and services in Los Angeles County.

As a proof of concept, we would like to demo the **Better Angels Homelessness Outreach App and Shelter Directory and Management System.**

We are happy to report that our outreach app is already integrated with the federally mandated Homeless Management Information System (HMIS), and our team is exploring integration with other systems (i.e. CHAMP) that would allow for seamless and transparent communication between multiple County departments that service the unhoused population.

Are you available to meet in the next two weeks?

Kind Regards,

Elizabeth Birks
