13. List any awards, honors, and recognitions specifically related to criminal defense that you have received.

14. Use the provided attachment pages to explain any "YES" answers to the following questions. **Provide all responsive information known to you.** Answers should not reveal privileged or confidential client information. ("Yes" answers do not necessarily disqualify an applicant.)
- (a) Have you ever been arrested for, charged with, convicted of, or pleaded guilty or no contest to, the commission of any felony or misdemeanor? Unless your answer is an unqualified "no," state the complete facts and disposition, including the date, name and nature of the offense, and locality, and identify the authority in possession of the relevant records. For matters in which you were treated as a juvenile, you need only disclose convictions, adjudications, or other adverse determinations, including those resulting from no contest pleas or their equivalent, for felony convictions that would be reportable on the State Bar application.
- Yes       No
- (b) Have you ever been removed from or voluntarily resigned from any indigent defense panel (or removed from eligibility to receive appointments by any state, county, federal district or circuit court) other than for reasons of relocation or rotation as part of the panel's regular procedures? If so, describe the grounds given, if any, for the removal, and the reasons for the resignation. Personal, family, or health reasons need not be described in detail.
- Yes       No
- (c) As the holder of any public office or of any license granted by the United States, or by any state or local government (including the California State Bar), have you ever - to your knowledge - been discharged, disbarred, suspended, or otherwise disqualified, disciplined, or advised that renewal of such license would not be permitted? Have you ever - to your knowledge - been disciplined by any such body, or are you now the subject of a formal or informal investigation concerning the same? Unless your answer to both of the preceding questions is an unqualified "no," state the complete facts and disposition and identify the authority in possession of the relevant records.
- Yes       No
- (d) Have you ever been cited for contempt of any court or body having the power of contempt? If so, provide complete details.
- Yes       No
- (e) Has your professional conduct or your professional ethics (including billing practices) ever been the subject of any written inquiry by any court, administrative agency, or bar association? Unless your answer to the preceding question is an unqualified "no," state the complete facts and disposition, including the date, identity of the court, administrative agency, or bar association, and identify the authority in possession of the records.
- Yes       No
- (f) Have you ever been admonished or sanctioned by any court or agency? If so, provide complete details.
- Yes       No
- (g) Have you ever been relieved as counsel of record, whether by request or otherwise, on any case in which you were appointed to represent a party in state or federal court? Do not include instances involving substitution by retained counsel, or where the motion to be relieved was based on the existence of a conflict of interest relating to another representation. For all other motions to be relieved, provide complete details of the grounds for the motion, and **all** of the following: case name, case number, name of the party whom you represented, court, name and telephone number of judge before whom the motion was brought, and name and telephone number of opposing counsel. For motions to be relieved for personal, family, or health reasons, the grounds need not be described in detail.
- Yes       No

15. The Court realizes that instances of allegations of ineffective assistance of counsel and representations by counsel of having provided ineffective assistance of counsel can as easily demonstrate quality of performance as indicate problems with performance. With that in mind, the Court requires that you list each case in which a court has made a finding of ineffective assistance of counsel (whether or not there was a finding of prejudice) or in which you admitted that you provided or may have provided ineffective assistance (whether or not such caused prejudice). Provide complete details, and all of the following: case name, case number, name of the party whom you represented, court, name and telephone number of judge before whom the motion was brought, and name and telephone number of opposing counsel.

16. Provide three writing samples. Preferably, the samples should be from sentencing position papers, pretrial motions, post-trial motions, trial briefs, or issue briefs. All writing submitted must be your own individual work. If you were not the sole counsel on the case, you must accurately relate your role in the preparation of the writing.  
**ATTACH THE THREE WRITING SAMPLES TO YOUR APPLICATION.**

17. If accepted to the panel, you are expected to attend the mandatory orientation session in the fall and to begin panel service starting in January of the following calendar year. If you are not able to begin panel service in January, please explain.

18. List the addresses of all websites maintained and used by you in the past five years to publicize your law practice.
